

REGOLAMENTO 4 ZAMPE

In our hotels, small dogs are welcome

- **In the hotel's common areas, dogs must be kept on a leash.**

For the respect of guests and common hygiene rules, here are some guidelines we kindly ask you to follow:

- **At the time of booking, please let us know if you will bring your dog, so we can arrange to offer you maximum comfort.** Each room is allowed only 1 pet.
- **The cost of your furry friend's stay is €15 per night**, a surcharge due to room cleaning that involves the use of specific detergents and sanitizers.
- **Dogs must not be left unattended in the room**, as they might disturb other guests.
- For safety reasons, **the maid will not clean the room if she finds the dog loose and unattended.**
- **Dog owners accept responsibility for any damages caused by their pet.**
- **On the beach**, you can access with your dog by booking umbrellas in their dedicated area. We recommend booking the umbrella in advance, as **spaces in reserved areas** are limited and not guaranteed, even if you choose the Beach Experience formula.
